Innovative Photographer with a proven track record of success in pushing the boundaries of traditional photography. I excel at experimenting with new approaches, techniques, software, and lenses to capture visually stunning and unique images. Thriving under pressure, I am adept at navigating challenging situations and finding creative solutions to deliver exceptional results.

EDUCATION

Bachelor's Degree

Graduated with honors. Specialized coursework in advanced photography techniques, composition, and post-processing. Developed a strong foundation in visual arts and creative expression.

Higher Institute of Fine Arts Tunis 📍
2022 - 2023 📅

High School Diploma

Explored various literary genres, authors, and periods, fostering a deep appreciation for literature and its impact on society. .

Khaznadar High School 📍
2020 - 2021 📅

PROJECTS

Home Made Accessories

Designed and created a range of homemade photography accessories. Designed and assembled a homemade macro photography extension tube, allowing for close-up shots and detailed macro images without expensive equipment.

video editing

Completed a video editing project using CupCut, a mobile video editing application. Edited and enhanced footage to create visually appealing and engaging videos. I edited a video with Capcut for a festival that will take place in Tunisia with co-ordination of videography and camping.

WORK EXPERIENCE

Freelance Photographer

Demonstrated expertise in capturing high-quality images for various clients, including individuals, businesses, and events. Developed a strong portfolio showcasing versatility in different photography genres, such as portrait, landscape, product, and event photography. Collaborated closely with clients to understand their vision and requirements, ensuring successful execution of projects.
